## ABOUT US

Ambar Lifestyle Products have been widely accepted and have become the favorite choice of Architects, Builders and End users. Our Products are manufactured using the most advanced technological process to deliver high quality products which will bring you a renewed sense of satisfaction.

Our products are of smart design and novel style. We are constantly introducing new styles and designs based on the latest fashion trends. The success of our products is also due to their superior quality, reasonable prices, while timely delivery has made us popular with all our customers. The quality of products is our company's root, excellence is our only standard. And the goal of the company is seeking quality.

A Service Division has been set up specialized in providing all kinds of professional services. Our target is to win the customers throughout by dedicating timely service.

Ambar Lifestyle Products, India is available with a chain of trade partners across the country.

Innovative Slow Close and noise free toilet seats ergonomically designed, made with anti bacterial porcelain like surface to enhance health and quality standards.

Ambar is powered with WDI flushing valves, A global plumbing parts solution expert having its headquarters in USA and Europe and certified by various organizations across the globe for their innovative and powerful 3 / 6 liter flush that help us conserve water .
